### Next Reviewing Official

This section is used to collect the contact information for the next person in your accident reporting chain-of-command. This individual will be the person who will review this report for accuracy before submitting it on up the chain for further approval.

Please left-click on the "Enter Email Address" button and put in the reviewer's AKO email address. If the AKO email address is valid, the remaining reviewer fields should automatically populate with information from AKO. Please make any changes needed and ensure that all required fields are complete.

If you don't know the next reviewing official's contact information, you may use the [AKO White Pages](#) to look it up.

This system uses Army Knowledge Online (AKO) for authentication and for email account management. ARAS will verify the AKO email address specified to ensure it is legitimate and will send all future email messages to that AKO account. If you would like for ARAS messages to be sent to your local email address, please visit AKO and select the "AKO Mail (Forward)" option.

## V Corps Safety Deployment Campaign

The primary link is on the V Corps Intranet under the PUBLICATIONS drop down. There is supposed to be a hyperlink added to the Corp public site that will allow .gov and .mil computers access to the campaign. The presentation will not be added as an open link on the Corps public site due to FOUO documents contained there in.

The web address is:
